

CHAPTER "99" NEWSLETTER  
ASC-CA-NORTH

## Membership Meeting

**No Meeting this month.**

I am assuming that everyone is aware of Steve's struggle with serious health issues the past few weeks. I talked with Steve a week ago and although he is in good spirits, it is obvious that he doesn't feel up to the task of leading Chapter 99 during the present and near future.

Ken Breshears, Keith's Auto Repair, has taken the responsibility to plan the meetings. He is calling a board meeting this coming week and will be contact with me so that I can get a newsletter out in October to keep everyone abreast of the upcoming events.
